

OZONO AND Gedroline

THE new, non-falling and infallible combined treatment for the human hair, OZONO and GEDROLINE, used jointly, cannot fail to lend to the hair length, lustre, life and beauty. One year ago the directors of the BOSTON CHEMICAL CO., with the sole purpose and intention to produce an absolutely perfect and reliable treatment for the hair, appropriated the sum of \$500 for this purpose alone. The services of three of the world's most noted chemists were secured, who, after twelve months of investigation and costly experiments, have successfully formulated a treatment so potent and powerful, yet harmless and innocent, that its immediate effects upon the hair border upon the miraculous. This treatment can be used in all faith and confidence, as it is certain to produce results most gratifying, causing the hair to grow long and luxuriant, straight, and of a most delicate and pliable texture. It prevents the tendency of the hair to draw up, contract, curl and tangle, thus making it easy to dress the hair in any style desired. It causes the hair to grow out on all bald spots, scant partings, thin places, and bare temples. It is sure to prevent the hair from falling, breaking off, and splitting at the ends. This great combined treatment is now the most wonderful remedy for the hair in the whole wide world.

The most generous offer ever made by any firm on earth. Cut out this advertisement, and send to us, with only \$1.00, and immediately upon receipt of same, we will send to you a full and complete treatment, consisting of two extra large boxes of OZONO, king of all Hair Tonics, worth \$2.00; also two large bottles of GEDROLINE, the lightning discovery, POWDERED EGG SHAMPOO, worth \$1.00; also one bar of our celebrated and renowned PURITY SOAP, worth 25c, and one light package of ANTI-DANDRUFF, the most wonderful scalp specialist of the day, worth 25c. This grand collection, worth in all \$5.00, will be sent on receipt of \$1.00 and your name and address, with full, plain, and complete directions, together with our beautiful Souvenir Catalogue, just issued by the toilet educator of the day.

NOTE.—To all who have ever bought OZONO we will send this great bargain offer for only \$1.00. Your word will be sufficient. Simply tell us when and where you bought it. This liberal offer is made with the object of securing good Agents, who can simply coin money selling our preparations. No matter where you live, we can get our goods safely to you. Do not delay; order to-day. Address: BOSTON CHEMICAL CO., 310 E. Broad Street, Richmond, Va.

THE SPICE OF LIFE
MERRY JESTS SURE TO BRING LAUGHTER.

Birth Certificate Not Always Necessary to Ascertain a Woman's Age—New Meaning of an Old Phrase—Was Still in the Family.

Crusoe's Comment.
"What! Is this Mr. Crusoe?" Inquired the newly arrived shade. "Well, I declare, but I am glad to see you!" "Thank you," smiled the shade of Crusoe. "Perhaps you could give me some news of the world you have left. You know I once acquired the habit of wondering what was going on, and never have got over it." "Oh, there's nothing particularly new," answered the newcomer, "except that a ship captain reports that your old island is overrun with lobsters."

"Ah!" muttered Crusoe. "And so they have begun running excursions to my old familiar haunts at last!"—Judge.

Fair Warning.
The voice at the telephone was a roar.
"Hello, central!"
"Hello!" replied the soft voice.
"Give me Main 99,999. And, say, central, he's the agent of this flat I'm living in. I'm going to ask him what the reason we don't get any steam heat. Please take your ear away from the 'phone while I am talking to him."

Present Company Always Excepted.
"What do you consider the greatest object of interest in England?" asked the interviewer.
"Well," answered the great lecturer from abroad, "I arrived here yesterday, and—"

"Of course," exclaimed the interviewer, apologetically, "I meant the greatest object of interest next to yourself!"—Stray Stories.

The Innocent Girl.
"What nonsense all this is about men getting on their knees when they propose!" said Mrs. Parslow to her dear friend. "My husband didn't do any such absurd thing when he asked me to marry him."
"He did when he proposed to me," said the dear friend, without thinking.

Explained.
"But there's one good point about those flats. I understand they do not object to children there. They lay special stress on that in their advertisement."

"No wonder. They realize that any couple with a child would have to move out and find more room."

Spoiled, but Not by Her.
He (chuckling over a job of teakettle mending)—Maria, I believe there was a good mechanic spoiled when I went into the shipping business.
His wife—I don't know about that, but you spoiled a good bachelor when you got married.—Stray Stories.

Testimonial Writers.
"Do you subscribe to the theory that people's characters are made by what they eat?"
"No," answered the scientist; "but judging from the advertisements I should say that in many cases their reputations are made by the medicines they take."

He Knew Her.
Mrs. Powers—Thomas, if you were to live your life all over again, and if it came to the matter of choosing a wife, do you think you would choose me?"
Mr. Powers (submissively)—There's no doubt about it, Maria, provided you wanted me.

He "Drew" Well.
"How does your son draw in his political campaign?" asked the stranger.
"Pretty heavy," replied the old man. "He drew on me yesterday for \$100, and I'm expecting another draw by next mail."

Positive Proof.
Emma—Do you know how old Hilda is?
Ella—No; but I do know that she orders her photographs from an old proof.

Hyphens Paid Better.
"I understand young Briefless is about to marry the daughter of old Bonds, the millionaire."
"Yes, so I am told."
"Will he give up the law business?"
"Yes; he will give up the law business and go into the son-in-law business."
